## GLOBAL DIRECTORY OF DHARMA ORGANIZATIONS

▶ The great minds who have taken the message of our ancient Spiritual Wisdom, through the multitude of Organizations founded by them in different countries, call for a comprehensive documentation of the services of these organizations, following the path of their Enlightened Masters, who spread the Light of Dharma, far and wide.

▶ Despite the pervading influence of *Dharma* through several Spiritual Masters and their organizations worldwide, comprehensive information is not available in the public domain about their global reach, in the service of humanity.

### ● **Vivekananda's Global Mission**

▶ Swami Vivekananda made the world aware of India's Spiritual Wisdom that respected and accepted all Traditions.

▶ His Global Vision & Mission inspired India's Spiritual Reach world-wide.

▶ As the initiator of the Global Spiritual Awareness, Swamiji propagated the Universal Vision of *Sanatana Dharma* as India's unique contribution to the world.

▶ He saw his Global Mission as the expression of the Will Divine, reassuring that India would send hundreds like him overseas to continue the Indian Spiritual Reach into the world.

## GLOBAL DIRECTORY OF DHARMA ORGANIZATIONS

### ● Swamiji declared:

▶ “The world requires Light. It is expectant! India alone has the Light of the Highest Spiritual Truth. India’s gift to the world is the Light Spiritual. The mission given to us is to conserve, to preserve, to accumulate, as it were, into a dynamo, all spiritual energy of the race and that concentrated energy is to pour forth in a deluge on the world whenever circumstances are propitious.”

## GLOBAL DIRECTORY OF DHARMA ORGANIZATIONS

▶ God, according to Swamiji, was guiding the destiny of India, and he wanted the Eternal Truths of *Dharma* to be preached by the Indian Masters who would go out in hundreds, to the world at large, and it did become a reality in the last 100 years.

▶ “That I went to America”, reminded Swamiji, “was not my doing or your doing, but the God of India, who is guiding her destiny, sent me, and will send hundreds of such to all the nations of the world. No power on earth can resist it. You must go out and preach the Eternal Truths of your *Dharma*, preach it to every nation under the sun, and preach it to every people.”

## GLOBAL DIRECTORY OF DHARMA ORGANIZATIONS

His vision to make everyone see the beauty of oneness, love and harmony, backed by his tireless efforts to actualize it, is getting unfolded all over the world, not only through the Mission and Order he founded but also through various other individuals and institutions who owe to Swamiji's vision for their inspiration' (–Swami Dayananda Saraswati, renowned Vedanta Teacher).
